

MEET ME WITHIN

6 Hours

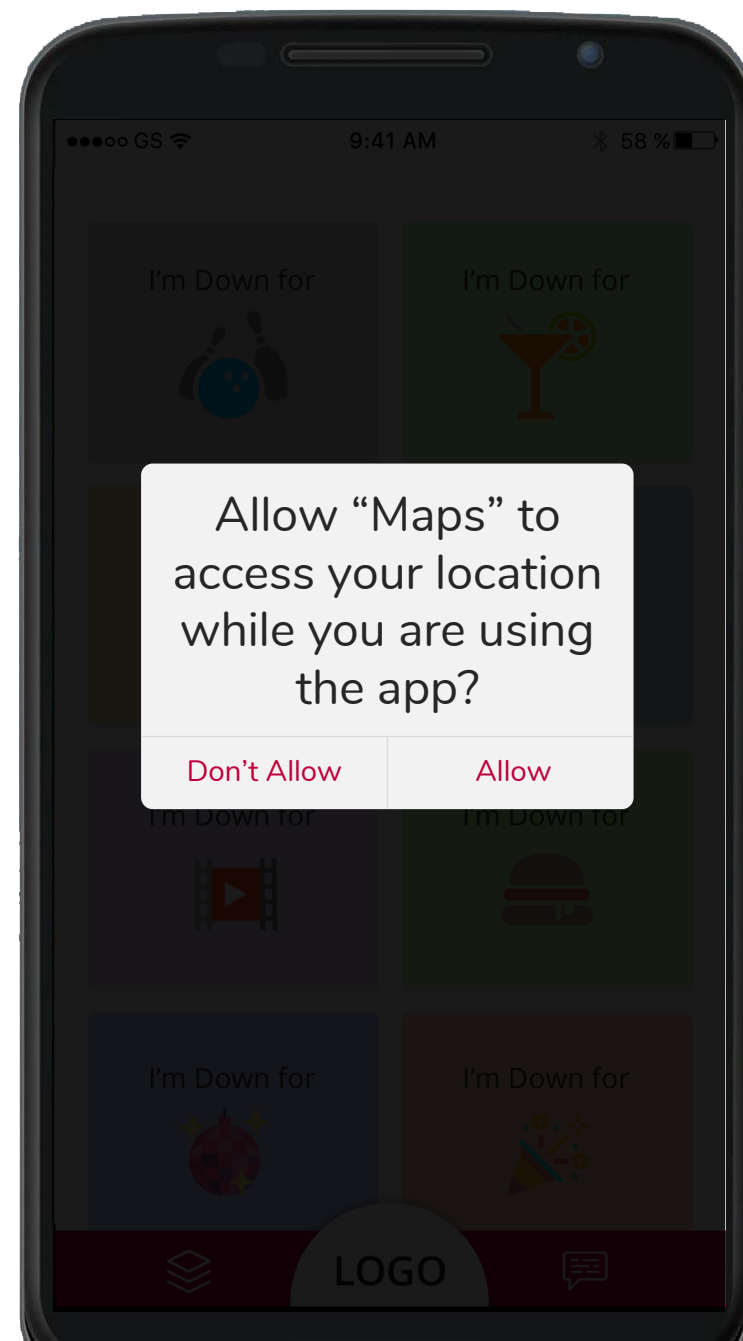

The purpose of the app is **within 6 hours** you can go out meet someone nearby who is interested in the same activity.

**For example**, I want to go to the cinema but I don't want to go alone. Use the app to find out who wants to go to the cinema nearby.

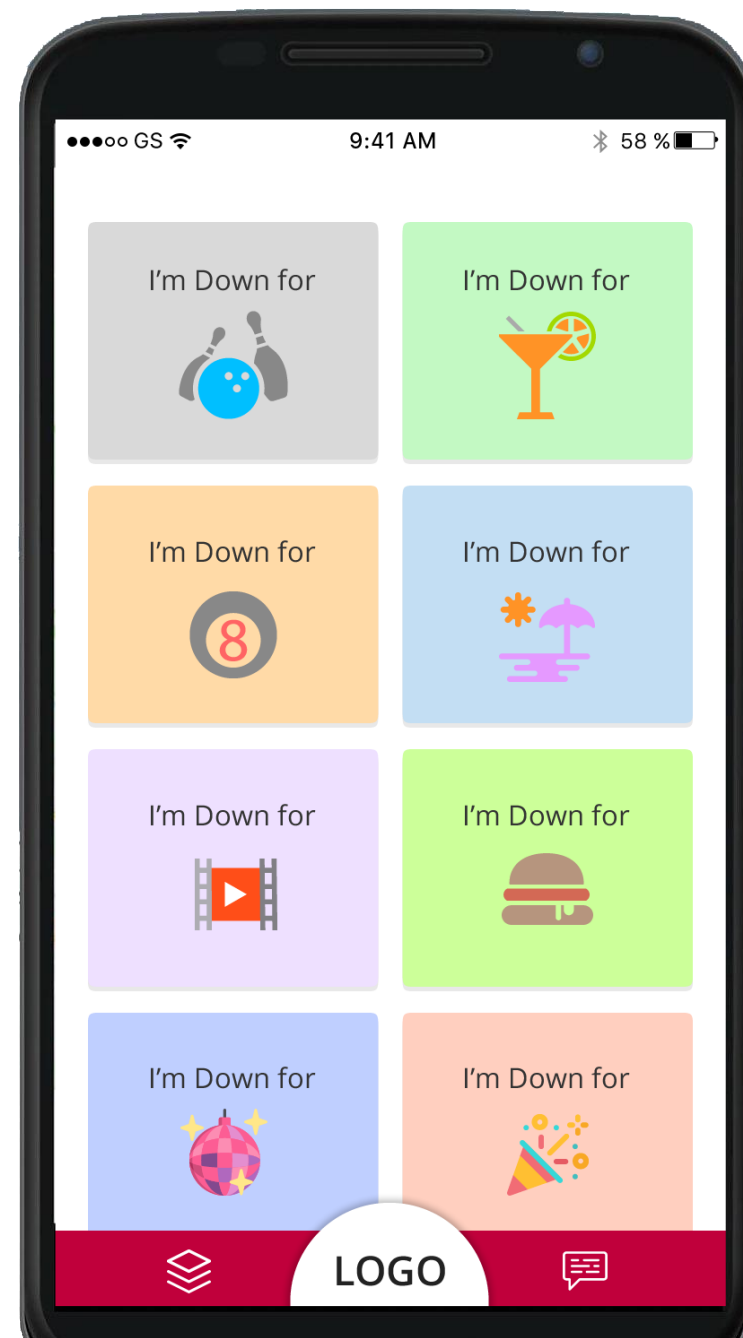

# 01

The app is going to ask the user to enable the GPS location to identify where the user is located.

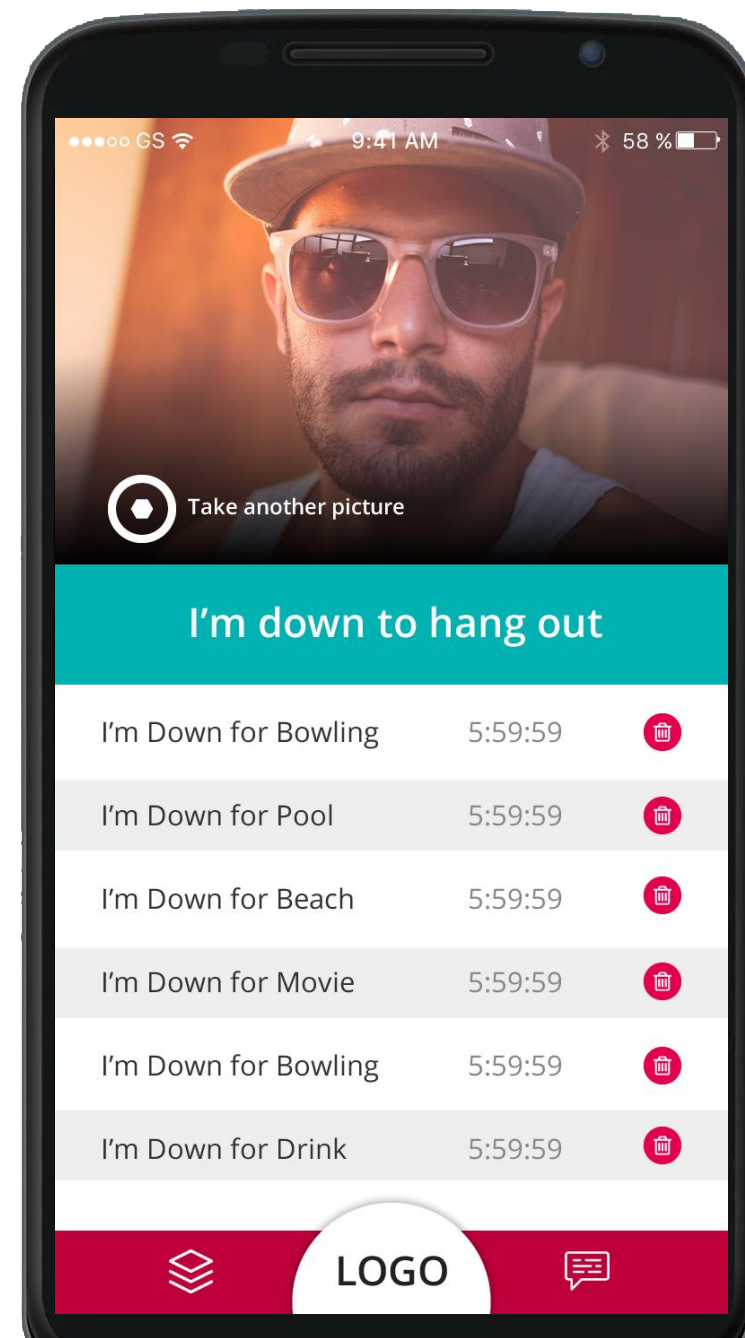

The app is going to give the user list of options to choose from such as (drink, bowling, cinema ..etc)

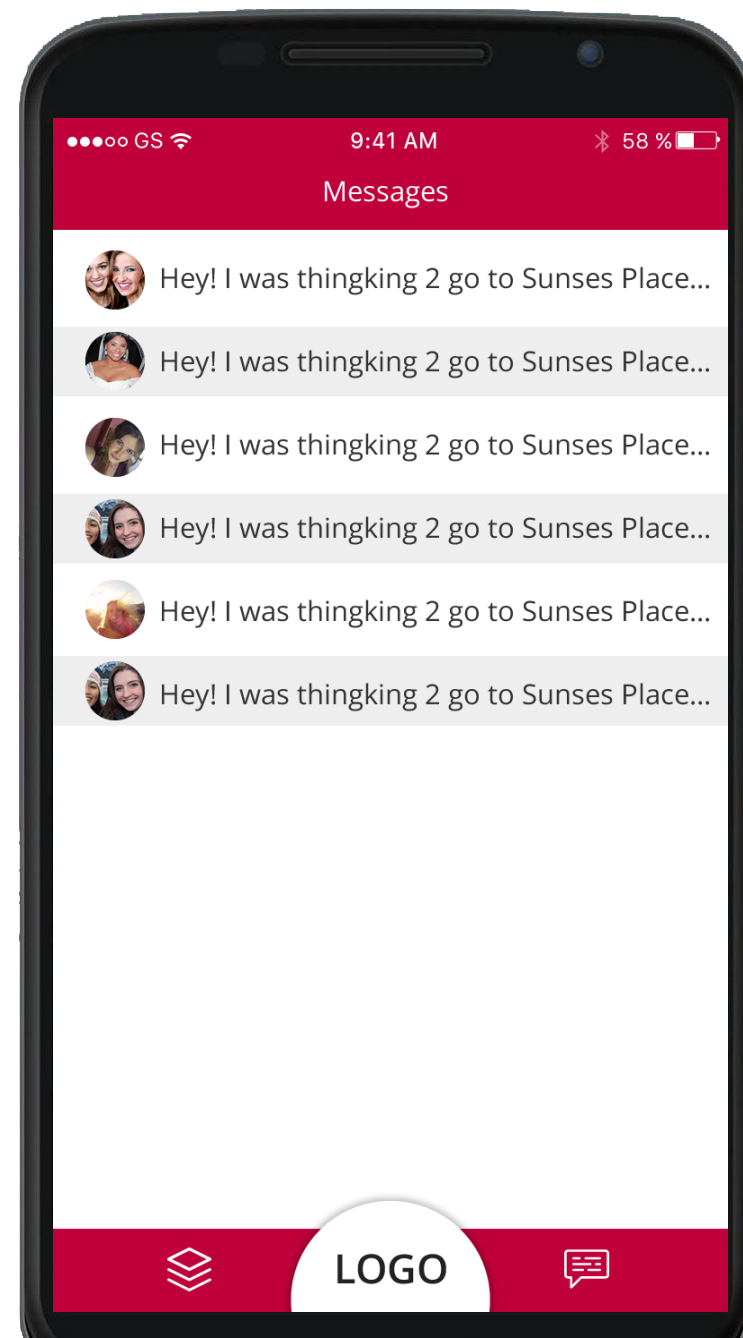

Once the user selects the activity,  
the app will prompt the user to take  
a selfie (live at the moment).

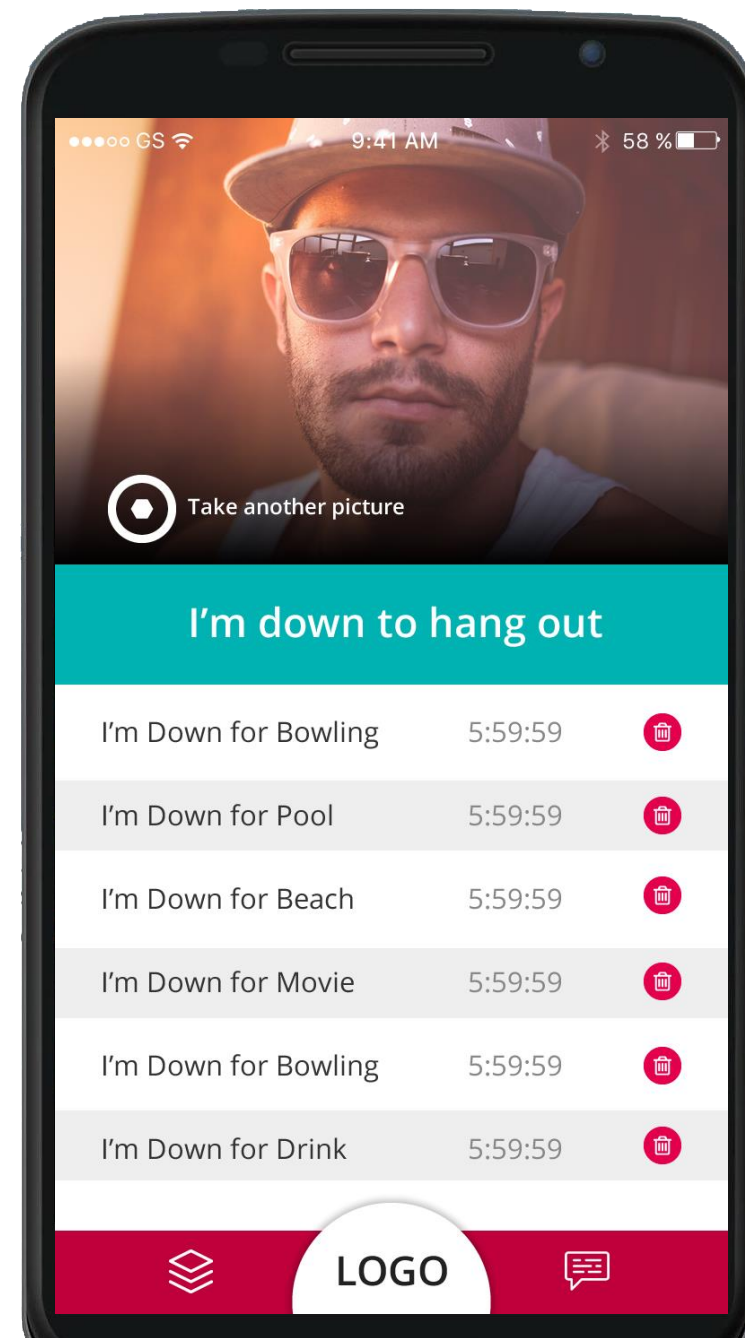

The user will be prompt to write few words (not required).

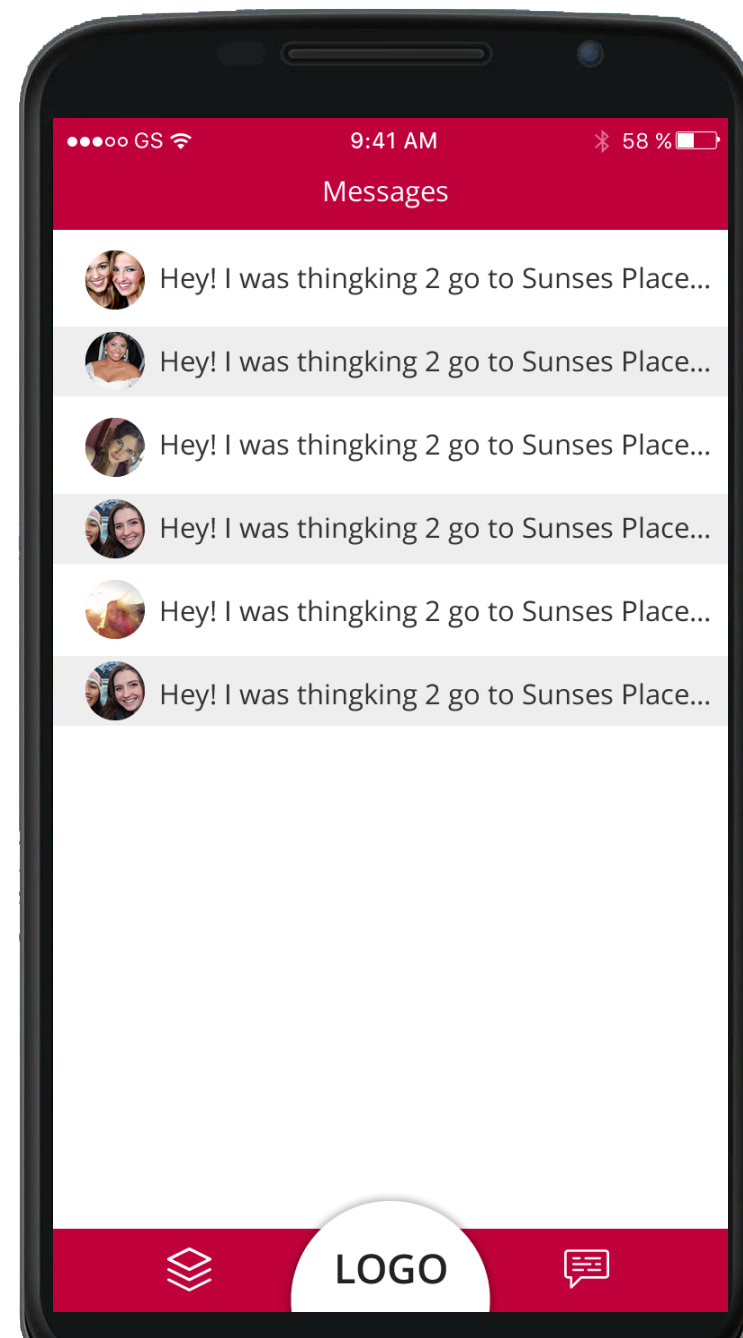

Timer will start 6 hours. After 6 hours, the selfie will be deleted

The user can wait to receive message from people near by to chat and meet.

The user also can see who is near by  
and what they like to do within 6  
hours
